

SHIRE OAK ACADEMY

TURNING POTENTIAL INTO EXCELLENCE

Reading skills form the basis of all subjects. Whether it's interpreting and understanding a question or studying a piece of text for comprehension. For this reason, reading is a skill we regard very highly at Shire Oak Academy. When your son/daughter starts their journey with us in September, they will automatically be signed up to the Accelerated Reader Programme. This programme has been scientifically proven to improve your son/daughter's reading age by as many as two years in one year.

To get ahead, please follow this link for information about our summer reading challenge:
