More Anti-Social Behaviour

Unfortunately, we have had further reports this week of anti-social behaviour by our students on the way too and from school.

We have had a report that a group of approx. 7 pupils were trying to climb up onto a caravan roof to retrieve a shoe. This caused alarm and distress to the elderly resident who was in the caravan at the time and could have also resulted in injury to those students concerned.

Another resident spent an hour of their time picking up litter from around the entrance of the Lichfield Road entrance to school and within days it was just as bad as it was previously.

Please speak to your children.

Sexting

'So you got naked online...' is a resource that helps and advises young people who may find themselves in a situation where they (or a friend) have put a sexting image or video online and have lost control over that content and who it's being shared with.

Informed by cases received by the UK Safer internet centre's helpline (POSH), they have adapted this resource to provide accessible information to help support young people (Key stage 3 and above) with particular vulnerabilities. This resource does not and will not be suitable for every child classed as having a special educational need.

Form Champions

Our Form Champions are the students who have achieved the most house points in their form each week.
Well done to all.
