THE MERCIAN TRUST

Thought for the Week

Try to be a rainbow in someone's cloud

Anti-social Behaviour

We are getting more and more calls from local residents about the behaviour of our students on their way to and from the academy. Some are concerns about safety on the busy roads and others are about silly, antisocial behaviour in residents' gardens. The most recent one was from a lady who said that pupils are throwing things onto her driveway which she has to clear up every day. Another resident has complained that students are discarding masks all over the pavements on their way home.

Please can you have words.
