Staff Shout Outs

We have been back for a week and staff wanted to let students in their classes just how pleased they have been with their work and attitude. If your child is in any of these classes...please pass on the praise.

7F1 - absolutely brilliant approach to English lessons so far, especially with regards to enthusiasm for reading, with many having already read the library book they chose on Friday 4th.

7N2 are a lovely Form, they are respectful to myself, other members of staff and each other. Yesterday we started to work on Karen's Mental Health Powerpoint, where we had a group discussion, they put up their hands to ask/answer questions and were silent while another person was speaking. I love this group. Mrs Sartori

7F1 - phenomenal start to the year - all staff commenting about how good they are.

7o1 - Taught them for the first time today and I was blown away by their knowledge and enthusiasm for History. Mr Martin
