## MOVING MEANS MASKS

HELP US TO PROTECT EACH OTHER

### A Message from the Headteacher

Our students are being really responsible wearing their masks around the Academy. Please remind your child to bring a mask in every day. We are using the 'Moving means Masks' to remind all students to wear a mask when they are moving around the academy.

### HPV Vaccinations

HPV vaccinations are taking place for boys on Thursday, 1st October and girls on Friday, 2nd October. If you are yet to return a consent form, please could you do so ASAP.

### Yubo

We have recently been made aware of a re-branded app called Yubo which we think you should be aware of.

Yubo is a French social networking app designed to "make new friends". It is geared towards teenagers and young adults aged 13 to 25, the app allows users to create video livestreams with up to 10 friends.
