

MAT COVID19 catch-up funding plan (ensure that this is strategic and concise)

School allocation: £100,000

School lead for evaluation: Annabel Stoddart

Date shared with MAT:

Date shared with LGB: December 2020

Date set for review: Easter 2021

Identified need	Action	Spend	Evaluation
Teaching strategies			
Year 7 & 8 catch up books	A book purchased for every student in Year 7 & 8 to encourage reading and reignite with the habit after lockdown	£1,500	Literacy levels are raised Reading engagement returns to pre March 2020 levels
PIXL	Leadership approaches Focus on intervention QFWT	£4,500	Academy data captures show movement towards Academy targets: a. P8 0 b. A8 51 c. 5+E&M 49%
English moderation	Pearsons Marking	£2,500	Gaps identified in English learning that can be closed through PIXL gaps and growth
SENECA PREMIUM	The resources available within SENECA will allow for strong independent learning at home and thus improve student progress when it comes to key assessment points (mocks and ROA). Students have access to smart assignments, bespoke revision materials based on a work completion algorithm, and wrong answer analysis for all subject based exam revision. Staff and students will be able to identify learning gaps and set bespoke homework and revision that covers these gaps. Analysis of students' work then builds over time and interleaved practice and revision is created.	£3,134	Student recall improves (December mocks, Spring mocks, final exams)
Revision Guides	Purchase revision guides for all students in all subjects to ensure independent work can be completed at home	£6,000	We will track home learning engagement stats in Years 10 and 11 to highlight the successful use of revision guides at home Improved attainment and progress scores between November and March mocks in Year 11
Targeted academic support			
National Tutoring Programme	Small group tuition for Y11 targeted students in mathematics and English. Students to be tutored by two specialists Graduates, employed for additional days. Small groups. 5 hours x 6 weeks x 3 sessions for 5 students in both English and mathematics	£50,000	Improvement of at least one grade from starting point
