

Coronavirus (COVID-19): Risk Assessment Action Plan for opening from 8th March 2021.

Assessment conducted by: N Critchley	Job title: Deputy Head	Covered by this assessment: Shire Oak Academy
Date of assessment update: 23 rd February 2021	Date of next review: Ongoing	

The sole purpose of this risk assessment is to prepare for the possibility of providing some face-to-face contact with pupils in year groups 10 and 12 in addition to vulnerable and key worker students, whilst reducing the risk of coronavirus transmission.

- For the purpose of this risk assessment, the term 'coronavirus' to refer to coronavirus disease 2019 (COVID-19)
- This risk assessment should be viewed alongside relevant advice and guidance from the department of Education and reflect any additional subsequent guidance issued to schools.

Key:	
Level of risk prior to control	Identifies the risk before any steps to reduce the risk have been taken
Risk Description:	Outlines the area of concern. This list is not exhaustive and schools should add/amend/delete where appropriate e.g. risks for pupils with complex needs.
Risk Controls:	The measures that will be taken to minimise the risk. These are generic and should be adapted for the school context.
Impact:	Major / Severe / Minor
Likelihood:	Probable / Possible / RemoteNB IF IMPACT AND LIKELIHOOD ARE BOTH HIGH, THEN THE ACTIVITY SHOULD BE STOPPED UNTIL ADDITIONAL CONTROL MEASURES ARE PUT IN PLACE.
Responsible person:	The identified staff member(s) responsible for implementing the risk controls.
Date:	The date by which required plans for controls will be in place.
Line Manager Check:	Sign off to ensure that the risk has been minimised as far as possible.

Risk rating High (H), Medium (M), Low (L)		Likelihood of occurrence		
		Probable	Possible	Remote
Likely impact	Major: Causes major physical injury, harm or ill-health	H	H	H
	Severe: Causes physical injury or illness requiring first aid	H	M	L
	Minor: Causes physical or emotional discomfort	M	L	L

The school lapses in following national guidelines and advice.	M	<p>To ensure that all relevant guidance is followed and communicated:</p> <ul style="list-style-type: none"> The school to keep up-to-date with advice issued by, but not limited to, DfE, NHS, Department of Health and Social Care and PHE. Information on the school website is updated. Parents and pupils updated via classrooms/email/text as necessary. Any change in information to be shared with the Chair of Governors and passed on to parents and staff by email. <p>As a result: The school has the most recent information from the government, and this is distributed throughout the school community.</p>	Severe	Remote	Low	NCC	8/3/21	
Poor communication with parents and other stakeholders	L	<ul style="list-style-type: none"> All staff/pupils are aware of current actions and requirements and reminded frequently using school communication systems. Headteacher to share Risk Assessment with all staff. Parents notified of the risk assessment plan and shared with parents via website. <p>As a result: All pupils and all staff working with pupils are adhering to current advice.</p>	Minor	Remote	Low	NCC	8/3/21	
Lack of awareness of policies and procedures.	M	<ul style="list-style-type: none"> All staff, pupils and volunteers are aware of all relevant policies and procedures including, but not limited to, the following: <ul style="list-style-type: none"> Health and safety policy First aid policy Behaviour policy All staff have regard to all relevant guidance and legislation including, but not limited to, the following: <ul style="list-style-type: none"> The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 The Health Protection (Notification) Regulations 2010 Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities' DfE and PHE (2020) 'COVID-19: guidance for educational settings' The Operations manager, site team and cleaners receive any necessary training that helps minimise the spread of infection, e.g. infection control training. 	Severe	Remote	Low	NCC/SLL	23/2/21	

		<ul style="list-style-type: none"> • Staff are made aware of the school's infection control procedures in relation to coronavirus via email. • Parents are made aware of the school's infection control procedures in relation to coronavirus via letter/social media/poster at entrance to school – they are informed that they must contact the school as soon as possible if they believe their child has been exposed to coronavirus • Pupils are made aware of the school's infection control procedures in relation to coronavirus via a coordinated programme of delivery on the first day of return. All are informed that they must tell a member of staff if they begin to feel unwell. • Regular electronic briefing issued to staff. • All staff made aware of current restrictions and the rules. <p>As a result, all staff and pupils are aware of the policies and procedures in place to keep themselves safe in school.</p>						
Poor hygiene practice in school.	M	<ul style="list-style-type: none"> • Posters are displayed around school and in every classroom reminding pupils of the hygiene practice required in school (e.g. washing hands before entering and leaving school). • All pupils are expected to use hand sanitiser every time they enter and leave classrooms. • Teachers to reiterate key messages in class-time (when directed) to pupils to: <ul style="list-style-type: none"> - Cover coughs and sneezes with a tissue, - To throw all tissues in a bin - To avoid touching eyes, nose and mouth with unwashed hands. • Additional alcohol-based sanitiser (that contains no less than 60 percent alcohol) and tissues to be provided for the school reception area, dining hall (if used), in classrooms and other key locations for staff and pupils. • Infection control procedures are adhered to as much as possible in accordance with the DfE and PHE's guidance. • Sufficient amounts of soap (or hand sanitiser where applicable), clean water, paper towels and waste disposal bins are supplied in all toilets and kitchen areas. • Pupils are instructed to wash hands and use sanitizer after using the toilet and use the sanitising gel when returning to the teaching area. • Pupils and staff do not share cutlery, cups or food. Staff to use in their own cups and utensils. • All utensils are thoroughly cleaned before and after use. 	Severe	Remote	Low	NCC	23/2/21	

		<ul style="list-style-type: none"> Cleaners schedule adapted so cleaners can carry out additional cleaning. Door handles, doors and toilets are cleaned during the day and paper/hand towels are refilled regularly. <p>As a result, all pupils and staff are adhering to high standards of hygiene to minimise risk of transmission.</p>						
Ill health in school.	M	<p>Staff are informed of the symptoms of possible coronavirus infection, e.g. a cough, difficulty in breathing and high temperature, and are kept up-to-date with national guidance about the signs, symptoms and transmission of coronavirus.</p> <p>Appropriate PPE sourced and guidance on its location, use and disposal issued to staff in line with government guidance on what to do if a pupil or staff member becomes unwell.</p> <p>All staff are informed of the procedure in school relating to a pupil becoming unwell in school.</p> <ul style="list-style-type: none"> Any pupil who displays signs of being unwell with COVID-19 symptoms is immediately moved to S116 to wait for the designated first aider on site. Any staff member who displays signs of being unwell with COVID-19 symptoms immediately refers themselves to a member of SLT and is sent home. Where S116 is unavailable, staff ensure that any unwell pupils go to the meeting room by reception whilst they wait for their parent/carer to collect them. School admin team to contact parents. Parents advised to follow the COVID-19: Guidance for households, including accessing testing. Pupils and staff who have displayed symptoms in school, should be advised to be tested. If they test negative, they can return to school. If a pupil needs to go to the bathroom, they should use the disabled bathroom in South which will be cleaned after use. Ensure the pupils displaying symptoms of coronavirus do not come into contact with other pupils and as few staff as possible, whilst still ensuring the pupil is safe. A facemask should be worn by the supervising adult if a distance of 2 metres cannot be maintained. If contact with a child or young person is necessary, then gloves, an apron and a face mask should be worn by the supervising adult. If there is a risk of splashing, the eye protection should also be worn. The relevant member of staff calls for emergency assistance immediately if the pupil's symptoms worsen. 	Severe	Possible	Low	NCC	23/2/21	

		<ul style="list-style-type: none"> Unwell pupils who are waiting to go home are supervised where they can be at least two metres away from others. Areas used by unwell pupils who need to go home are identified as out of bounds, thoroughly cleaned and disinfected once vacated. Pupils who have displayed symptoms in school, should be advised to be tested. The test results should then be notified to the school as soon as possible. If they test negative, they can return to school. Staff who have displayed symptoms in school, are required to be tested. Test results should then be notified to the school as soon as possible. If they test negative, they can return to school. In the event of any member of staff or pupil identifying as having COVID-19 the school will contact the Walsall Health Protection Team on 01922 658065. <p>As a result, any member of the school community who becomes unwell, is isolated quickly and appropriate action is taken to minimise the risk of infection.</p>						
A pupil or staff member is tested and has a confirmed case of coronavirus.	M	<p>In line with government advice:</p> <ul style="list-style-type: none"> NCC (Deputy Head) will contact PHE. The PHE's local protection team to conduct a rapid investigation and will advise the school on appropriate action. <p>As a result, school leaders took appropriate action in the event of a confirmed case of coronavirus.</p>	Severe	Remote	Low	NCC	23/2/21	
Staff and Pupil movement travelling to or from school on public transport increases the risk of infection.	M	<p>In line with government advice:</p> <ul style="list-style-type: none"> Pupils and staff will be encouraged to walk, cycle or scooter into school and warned to avoid public transport if possible. For those who still need to take public transport they will be referred to relevant government advice, and will be encouraged to wear masks. Anyone wearing non-disposable face coverings when arriving to school will be expected to bring a plastic bag to keep these in during the times of the school day when they are not required. Hand sanitiser will be located at school building entrances in order to allow for the immediate disinfection of hands. <p>As a result, the risk of infection is reduced as pupils and staff arrive at school.</p>	Severe	Remote	Low	NCC	23/2/21	

<p>Staff and Pupil movement between sites school transport increases the risk of infection.</p>	<p>M</p>	<p>If school transport is being utilised to transfer students around campuses students and staff are expected to:</p> <ul style="list-style-type: none"> ● Group together pupils within the same bubble if at all possible ● Where possible allow for additional transport or staggered pickups. ● Organised queuing and boarding to be implemented where possible ● School transport vehicles to be distanced apart to reduce large groups gathering ● Hand Sanitiser to be available for use on boarding/disembarking ● The use of face masks to be enforced and a supply of disposable facemasks to be available upon boarding the transport. ● Regular cleaning of hard surface areas and frequently touched areas before being used by another group / bubble. <p>As a result, the risk of infection is reduced as pupils and staff travel between sites.</p>	<p>Severe</p>	<p>Remote</p>	<p>Low</p>	<p>NCC</p>	<p>23/2/21</p>	
<p>Poor practice leads to the spread of potential infection at the start of the school day.</p>	<p>M</p>	<p>In line with government advice:</p> <ul style="list-style-type: none"> ● Issue information to young people, parents, carers and visitors not to enter the school if they display any symptoms of coronavirus. ● Issue information to parents about arrival and departure procedures, including safe drop-off and pick-up. ● Inform pupils and parents of their allocated times for the beginning and end of their school day. ● Inform pupils and their parents of the allocated entrance and exit points to school and where they should go on arrival. ● Pupils are encouraged to wash hands on arrival and to use hand sanitizer upon entering the building and teaching areas. ● All staff to wash / sanitise hands on arrival in school. ● Make it clear to parents and pupils that they cannot congregate at the front of school prior to the day beginning. ● Make parents and pupils aware of government recommendations with regard to transport. Inform parents and pupils of restrictions and plans relating to school transport. ● Issue information to pupils in relation to restrictions on their movement around the site. ● Sufficient supplies of hand-sanitising products provided to accommodate this procedure at the start of the day. <p>As a result, the risk of infection is reduced as pupils and staff arrive at school.</p>	<p>Severe</p>	<p>Remote</p>	<p>Low</p>	<p>NCC</p>	<p>23/2/21</p>	

<p>Poor management of pupil numbers reduces the ability of pupils and staff to practice social distancing.</p>	<p>M</p>	<ul style="list-style-type: none"> • Leaders to identify and communicate clearly to parents and pupils with regards to times, routines and expectations. • Capacity calculations for designated classrooms completed by leaders. Guidance gives leaders flexibility in their plans to provide a 'best fit' approach. • Timetable reviewed and refreshed, and the programme communicated to teachers and staff. • Where possible, pupil movement to be managed using a one way system to reduce contact between students. • Leaders to consider how best to supplement remote education with face-to-face support for students where required. <p>As a result, staff and pupils are clear about where they should be, the times that they should be there and what they are delivering.</p>	<p>Minor</p>	<p>Remote</p>	<p>Low</p>	<p>NCC</p>	<p>23/2/21</p>	
<p>Insufficient staff to run face-to-sessions for pupils.</p>	<p>L</p>	<ul style="list-style-type: none"> • Protocols for staff to inform leaders if they need to self-isolate clearly in place. • Teachers and support staff identified and rota in place for cover in the instance that planned staff have to self-isolate. <p>As a result, sufficient staff cover in place to provide the face-to-face support sessions for pupils.</p>	<p>Minor</p>	<p>Remote</p>	<p>Low</p>	<p>NCC</p>	<p>23/2/21</p>	
<p>Pupil and staff movement between lessons, at break time and lunchtime increases the risk of infection.</p>	<p>H</p>	<ul style="list-style-type: none"> • Breaks and lunches to have staggered starts and locations for year groups. Social distancing to be put in place for any pupil queuing for food. • One-way circulation to be put in place for pupils arriving and leaving shared lunch space/lessons. • Face masks are mandatory for staff and strongly advised for all pupils when moving through corridors and other communal areas. Staff should wear a face mask as a minimum, the addition of a visors over the face mask will only be worn for defined activities where a risk assessment has been undertaken. A visor is not an alternative to a facemask. Masks will be made available for students who do not have access to face coverings appropriate to the school behaviour / uniform policies. Relevant posters with clear instructions will be displayed concerning how to put on, remove, store and dispose of face coverings. • Allocated outdoor areas for pupils to be identified for breaktime/lunchtime. • Lunchtime to be staggered for year groups and two different areas for year groups sharing the same lunch time. • Pupils advised not to play contact games at break time or lunchtime. 	<p>Severe</p>	<p>Possible</p>	<p>Medium</p>	<p>NCC/SLL</p>	<p>23/2/21</p>	

		<ul style="list-style-type: none"> • Pupils to be advised to wash hands before and after lunch. • Tables to be cleaned between year groups using lunchtime facilities. • Catering staff to maintain strict levels of hygiene in food preparation areas and follow whole staff guidance in reporting illness. <p>As a result, the risk of infection during unstructured time is reduced.</p>						
Spread of infection in classrooms/ shared areas.	H	<ul style="list-style-type: none"> • The use of face masks is strongly advised for staff all pupils in all classrooms <u>should social distancing not be possible</u>. If social distancing is not possible staff should wear a face mask as a minimum, the addition of a visors over the face mask will only be worn for defined activities where a risk assessment has been undertaken. A visor is not an alternative to a facemask. Masks will be made available for students who do not have access to face coverings appropriate to the school behaviour / uniform policies. Relevant posters with clear instructions will be displayed concerning how to put on, remove, store and dispose of face coverings. • All unnecessary items to be safely stacked/ removed from classrooms and learning environments and stored elsewhere. • All soft furnishings and items that are hard to clean to be removed. • The classroom must be set up where possible with all desks forward facing and side to side seating. • Where possible the teacher's desk must be kept 2 metres away from the children's tables/desks. • Pupils to be directed to specific seats in classrooms and to maintain those seats when they have each lesson. • Tissues and hand sanitiser to be located in each classroom/learning space. • Bins to be emptied at least daily in classrooms, additionally as required. • Contact with communal surfaces, such as door handles etc to be minimised. • Doors to be kept open where possible. • Windows to be opened to provide ventilation. • Inform all the pupils that they must bring the required equipment to school (stationery, calculators etc) to reduce the risk of infection. • Shared teaching resources (such as science equipment) to be cleaned prior to and after use. The use of practical equipment in PE, Science, DT, Food etc to be carefully managed. • Pupils/staff to clean shared IT equipment (esp. keyboards) with anti-bacterial spray/wipes before and after each use. • Shared telephone handsets to be cleaned before and after each use. 	Severe	Possible	Medium	NCC/SLL	8/3/21	

		<ul style="list-style-type: none"> Guidance issued to staff on the use of staff rooms and staff toilet areas. including maximum numbers at any one time. Staff to be reminded to adhere to social distancing at all times. Staff informed to keep 2m apart from other staff members who are not part of their bubble group. Staff should avoid close face to face contact and minimise time spent within 1 metre of anyone. Hand sanitiser/anti-bacterial spray/wipes to be in place at photocopiers/shared keyboards/telephones etc. Staff must wash and dry their own cups, plates and utensils and maintain good housekeeping. Assemblies to be conducted initially via google meet with groups remaining in form rooms. At the end of lessons, the desk should be wiped down with antibacterial spray and blue roll. The blue roll should be placed in the general waste bin and NOT the recycling bin. As students leave the room they should have their masks on and use the hand sanitiser provided. Students should be dismissed in an orderly manner to ensure social distancing. <p>As a result, the risk of infection to staff and pupils in classrooms is reduced.</p>						
Wearing Masks for prolonged periods effecting physical or mental wellbeing	L	<ul style="list-style-type: none"> Teaching staff will encourage pupils to spend some time outdoors in an area where masks are not required to be worn to alleviate any irritation or discomfort caused by prolonged use of the face masks. All students will be given access to face coverings appropriate to the school behaviour / uniform policies, in order that they can regularly have a fresh mask to mitigate discomfort. Relevant posters with clear instructions will be displayed concerning how to put on, remove, store and dispose of face coverings Pupils to be advised use hand sanitiser every time they change their mask to mitigate the risk of spreading infection. Inform parents and pupils of restrictions and plans relating to school transport. <p>As a result, the risk of infection is reduced as pupils and staff leave school.</p>						
Spread of infection at before or afterschool clubs.	M	<ul style="list-style-type: none"> Classroom/area to be cleaned pre and post club usage of the space. Where possible keep pupils in their year group bubbles. Where not possible look at consistent small groups only. Where possible arrange for the same staff to deliver before and after care provision to reduce risk. <p>As a result, the risk of infection to staff and pupils is reduced.</p>	Severe	Remote	Low	NCC	23/2/21	
Marking books leading to the spread of the virus.	L	<ul style="list-style-type: none"> Pupils and teachers can take books and other shared resources home, although unnecessary sharing should be avoided. Similar rules on hand cleaning, cleaning of the resources and rotation should apply to these resources. 	Minor	Possible	Low	NCC	23/2/21	
Poor pupil behaviour increases the risk of the spread of infection.	M	<ul style="list-style-type: none"> Pupils are reminded of the behaviour policy on their return to school. Sanctions (and how they will be applied in the context of social distancing) are clearly communicated to pupils and parents. Behaviour policy temporarily adjusted as consequence. Pupils' individual behaviour plans are reviewed, and specific control measures identified and shared with pupils and staff where necessary. <p>As a result, pupils understand the behaviour policy in context.</p>	Severe	Possible	Medium	CSS	23/2/21	
Pupils with complex needs are not adequately prepared for a return to school or safely supported	M	<ul style="list-style-type: none"> Review individual communication plans where close proximity is expected Plans should be understood, shared and followed consistently by all staff working with those pupils Prepare additional social stories to support pupils with autism / learning difficulties (highlighting changes to classrooms/arrangements/use of PPE, for example) and share with parents and pupils prior to pupils returning to school. <p>As a result, pupils with complex needs are well supported.</p>	Minor	Remote	Low	SEW	23/2/21	
Vulnerable pupils and pupils with SEND do not	L	<ul style="list-style-type: none"> Appropriate planning in place to support the mental health of pupils returning to school. 	Severe	Remote	Low	SEW	23/2/21	

receive appropriate support.		<ul style="list-style-type: none"> Agree what returning support is available to pupils with SEND with new temporary plans to put in place for pupils with EHCPs which cover what can be offered and shared with parents. Additional support with regards to this is available from the Executive Director for Education. It is the Mercian Trusts policy that limitations cannot be used as a reason to stop a SEND pupil returning. Pupils with SEND and those concerned about returning to school are supported. <p>As a result, pupils with SEND and those concerned about returning to school are supported.</p>						
Increased number of safeguarding concerns reported following lockdown.	L	<ul style="list-style-type: none"> Agree safeguarding provision to be put in place to support returning children. Ensure that key staff (DSL & Deputies) have capacity to deal with arising concerns. Enhanced level 1 training through INSET days to ensure that staff are confident in looking for signs of distress/abuse and what their duties are. If referrals made by staff, these are followed up appropriately and swiftly and social distancing practice maintained. <p>As a result, safeguarding remains of the highest priority and practice</p>	Severe	Possible	Medium	CSS	23/2/21	
Emergency evacuation due to fire etc	L	<ul style="list-style-type: none"> Lockdown, fire and emergency evacuation procedures to be reviewed so that social distancing can be maintained. Leaders to communicate procedures to all staff. Staff to communicate emergency evacuation procedures to pupils at the beginning of each day. A fire drill, applying social distancing to take place at the earliest opportunity. <p>As a result, social distancing is maintained in the event of an emergency evacuation.</p>	Minor	Remote	Low	NCC/SLL	23/2/21	
Poor hygiene practice in office spaces increases the risk of infection.	M	<ul style="list-style-type: none"> Where possible for any administrative staff, start and end times for work are staggered to support social distancing. Tissues/sanitiser to be placed in office locations. Staff to wash/sanitise hands in line with government advice on arrival. Everyone is responsible for wiping down their own desk/place of work before and after use. 	Severe	Remote	Low	NCC/SLL	23/2/21	

		As a result, office practice in office spaces limits the risk of the spread of any infection.						
Poor hygiene practice at school entrance/reception increases the risk of infection.	L	<ul style="list-style-type: none"> • Clear signage in place re social distancing • Barriers to be used by reception staff when dealing with any parents/contractors/visitors. • Signing in and out procedures to ensure enough detail that can be useful if track and trace is required inc. where in the building visitors have been. • Any touched areas wiped down. • Parents are discouraged from visiting the school. • Rearrange furniture in reception to facilitate social distancing. Items with soft furnishing removed. <p>As a result, reception staff are protected.</p>	Severe	Remote	Low	NCC/SLL	23/2/21	
Cleaning is not sufficiently comprehensive.	M	<ul style="list-style-type: none"> • Ensure that all cleaning and associated health and safety compliance checks have been undertaken prior to opening. • All cleaning staff and site team members to complete infection control and prevention online training course. (https://www.highspeedtraining.co.uk/) • A nominated member of staff (SLL) monitors the standards of cleaning in school and identifies any additional cleaning measures. • Additional cleaning staff have been employed to increase the regularity of cleaning. • Whilst pupils are at breaktime/lunchtime, the site team cleans tables/door handles with a disinfectant spray. Gloves to be worn during this and hands washed afterwards. • Wipes/sprays next to photocopiers/printers etc • Cleaners to act upon guidance normally linked to 'deep cleans' as part of their daily procedures (i.e. a focus on door handles, toilets, frequently touched surfaces, etc.) – pupils to clean IT equipment (esp. keyboards) with anti-bacterial wipes after use. <p>As a result, high standards of cleanliness are maintained in school.</p>	Severe	Remote	Low	NCC/SLL	23/2/21	
Contractors, deliveries and visitors increase the risk of infection	M	<ul style="list-style-type: none"> • All contractors to be checked to ensure that they are essential prior to entry to school. • Contractors to come onto site/leave site at staggered times so as not to have contact with pupils or staff. • All contractors/visitors to sanitise hands on entry to the site. • Additional hand-washing facilities made available to contractors and visitors. 	Severe	Remote	Low	SLL	23/2/21	

	<ul style="list-style-type: none"> Any contractors who feel unwell on site to report to the Operations Manager and leave the site immediately. Advice from PHE sought. All areas in which contractors work are cleaned in line with government guidance. Contractors to bring their own food/drink and all utensils onto site. Staff who receive deliveries to the school to wash hands in line with government guidance after handling. Where possible, delivery drivers to leave post/parcels and packages in a safe location without coming into contact with staff or pupils. If it is unavoidable and drivers must enter the school site, they are advised to follow most up to date government advice on social distancing. Drivers to hand wash/sanitise hands before entering school buildings. Surfaces to be cleaned after the deliveries have been made. <p>As a result, any external visitors/contractors are kept safe and the risk to other members of the school is minimised.</p>
