

1st November 2021

Dear Parent/Carer,

## Prospective Sixth Form Open Evening

Due to the current levels of coronavirus infections in Walsall we have been advised by Walsall Council to look at all of the events that we have planned. This means that we have to change the format of our Sixth Form Open Evening Event planned for 11th November 2021.

This event will now run on Thursday 11th with a 3:15 start. It will be for Shire Oak Academy students only and run after our normal Academy day. Unfortunately parents will be unable to attend this event. Any external students from other schools who wish to join our Sixth Form are invited to contact us through our website and arrange a time to come and visit our Sixth Form. We are also adding content to our website, linked below, to provide further information about our offer.

Even though the format of this event has changed we still aim to show your child what our Sixth Form at Shire Oak Academy has to offer and to give the opportunity to speak to individual teaching staff about studying their subjects in our Sixth Form.

As part of the event, students will be able to discuss individual subjects with current students and subject teachers. The subject presentations will be repeated 5 times, allowing prospective students the opportunity to hear from a number of subjects.

As well as subject teachers, our Sixth Form Leadership Team and some of our current Sixth Form students will be available during the event to answer any questions that your child may have. I certainly hope we can provide an excellent insight into life in Sixth Form at Shire Oak Academy and that your child will find the event informative.

If you would like further information about our Sixth Form please visit <http://shireoakacademy.co.uk/sixth-form> or call us on 01543 452518.

Yours sincerely

Mr G. Jones  
Director of Sixth Form Studies
